**PUBLIC COMMENT**

Barbara Gioia made a recommendation to require business to complete a site plan as issues cannot be addressed if there is no site plan. Mr. Cordisco suggested certain issues might be better addressed through an ordinance as the Village currently works with Noise Pollution. He also thought the issue was being looked at by the Village Board. Mr. Klosky thanked Mrs. Gioia and noted her suggestions and concerns will be considered with the writing of the plan and that she was no alone with lighting concerns.

**MINUTES**

*Ms. McGuinness made a motion to approve 10/26/17 minutes, seconded by Ms. Aspin and approved by all.*

**Adjournment**

*Mr. Klosky adjourned the public section of the meeting at 7:15 PM. The Committee continued to work.*

Respectfully submitted
