August 06, 2016

Dear Friends & Neighbors,

The Storm King Fire Engine Company #2 will once again be hosting the **Annual Clancy – Armitage Softball Fall Classic** tournament. This tournament is scheduled to be held October 7<sup>th</sup> at the Black Rock Fish and Game Club in Mountainville, New York. This tournament is held each year in memory of two of our firefighters, Matt Clancy and Bruce Armitage. This will be the 19<sup>th</sup> year we are hosting the tournament.

Both of these firefighters passed away after a long and courageous battle with cancer. At the time of their passing they were both married with two young children each. All proceeds from this benefit softball tournament are used to fund the educational future of their children. In addition, through the continued generosity of our supporters, such as you, we have also been able to establish a scholarship given to two graduating seniors from the Cornwall Central High School each year.

We once again ask for your support of this most worthy cause. As volunteer firefighters with our company, Matt and Bruce were always there when their friends and neighbors were in need of help from the fire company. Now is the time for us to give back to both of their families. Please consider a monetary donation or a donation of goods and services for this tournament. Checks may be made payable to Storm King Fire Engine Company #2 and mailed in care of my address below.

On behalf of the Clancy and Armitage families as well as the fire company, I thank you for your support of this event.

Sincerely,

*Jeff Armitage*
